

WELCOME

Bay Area Mobile Medical Group is a medical practice that provides high quality primary and preventive care services in the comfort, convenience and privacy of a patient's residence that includes Home, Assisted Living, Board and Care, Rehabilitation Facility and Skilled Nursing Facility. We will work with the Patient, Caregiver, and Family members in the implementation of the individualized plan of care and making sure that the Patient will obtain full benefits from the services provided.

OUR COMMITMENT

"Providing excellent health care services with integrity, professionalism, compassion and confidentiality."

Our health care providers include Doctors, Nurse Practitioners, and Physical Assistants. They are well-trained and licensed by the Medical Board of California, California Board of Registered Nursing or the California Board of Physician Assistants. Our Providers are very good at their jobs, delivering health care services with compassionate care, excellence, integrity, speed, timeliness and confidentiality.
